

# Craft Studio's Clean Out Your Closet Supply Drive

In light of the tough economic times ahead, we want to provide more free workshops for MU students, faculty, staff and the public, but we need your help. If you are in possession of art, craft, and some random supplies that you were planning on throwing away or are never really going to use yourself, you can now donate them to the Craft Studio. Below is a list of things we know we can use, but if you have other supplies, tools, or equipment that need a good home, just send us an email and we'll let you know if we can put them to use.
